WE WISH YOU

### PCC Food and Beverage Management Evolves

After a thorough and lengthy evaluation, your PCC management team, with full support of the Board of Directors, made the difficult decision to eliminate the Food and Beverage Director position. As a result, Chrissy Horn is no longer with PCC.

Chrissy served PCC well over the past 10 years. We thank her for that service and wish her well in her future endeavors.

Mike Marshall, PCC General Manager will expand his role and will become actively involved in managing the F&B operation. Any questions, comments or concerns regarding the PCC F&B operation should be directed to Mike. You can call him at 785-760-0285 or email him at [jmmarshall@sunflower.com](mailto:jmmarshall@sunflower.com).

## GOLF COURSE NEWS

### Golf Course:

As Mother Nature blessed us with a White Christmas, it also slowed up golf and course maintenance. Tree removal and trimming have come to a halt, will continue when weather permits.

### Frost Delays:

As the weather turns colder, there will be mornings when the golf course will be covered with frost. Cart and foot traffic can be detrimental to the turf (especially the greens) when it is frost covered. The course will be closed until the frost lifts. Frost delays can last well into late morning. Please make sure you stay off the golf course when frost conditions exist. Thanks for your cooperation and understanding in this matter.
