Rod and Val/Reese- 34

Trumbly- 34

Smith- 37

Rockers/Latto- 37

We hope you all had a
"SPOOK-TACULAR" time!

Greetings from the Course...

The leaves are really turning now and starting to fall which means winter is getting closer and closer. We are still in a drought that has plagued us for the better part of 3 months, and again I don't see any real end in sight. I appreciate those of you that have made an effort to keep your carts outside of the roped areas. As you can see, by not driving on the turf it is making a big recovery and the areas are really greening up. We are still watering the entire course, and with the occasional freezing temperatures at night it is sometimes necessary to water throughout the day. Sorry for this inconvenience, but it is imperative to keep what moisture we can out there so the soil and root zone's don't freeze dry. We have started our winterization of carts, and I thank everyone that has entrusted us with their carts to date. If you are wanting your cart done, or you have some other mechanical issues you would like addressed, just contact the club and we will get it done for you. Thanks and as always, if you have questions just ask.

-Ryan Varns GCS

General Manager's Message...

First of all, I would like to thank everyone who came out to the Halloween party and Night Golf this year. We had a great turnout all around. We hope you enjoyed everything and we can't wait to do it again next year! Secondly, I would like to thank those who have donated to the Bar Area Improvement fund. We are getting closer to our goal and are excited to bring you these changes! Remember to also be checking your weekly updates for more information on this year's Christmas party!

- Travis Hardwick
