General Manager's Message...

I would like to take this opportunity to introduce myself. Many of you have seen me working in a variety of positions at the Country Club for the past 4 years. I have come to know many of you and hope to meet many more over the next couple of months as I begin my new position as General Manager of the Country Club. I am excited to work with all of you as we continue to improve our wonderful facilities!

A special THANKS goes to Jim Nelson for laying carpet in the South Room and Dave Evans for doing the electrical work in the Clubhouse. We appreciate all the hard work and are grateful to both of you!
