General Manager's Message...

I hope you are all enjoying the somewhat nice weather! This month has seen a few things: first, we are finishing the remodeling of the South hallway Men's restroom and the new Conference Room. Carpeting is being replaced as well. Secondly, there are repairs happening on the pond dams around the course. Also, remember to mark your calendars for the upcoming golf events happening in the next few months! We encourage you to come out and enjoy your summers with friends and have a great time!

As Event season approaches, consider Paola Country Club for your venue! Whether it's for graduation, wedding receptions, or a casual event, we would love to help make your day special!
