Greetings from the Course...

Seasons greetings from the maintenance department. December was an up and down month as far as temperatures and playing conditions on the course. We received around 6" of rain this month and the course has been pretty wet, thank you for keeping your carts on the path during this time. I have still been changing pins and mowing greens when weather permits. This will continue through the winter as long as we have some consecutive warm days with lows above 32 degrees. We are putting the finishing touches on the bar area and will be installing an air purifier this month. As always if you have any questions about the course just ask me.

-Ryan Varns GCS

Board of Directors Meeting

Monday January 9th, 2012

Meeting begins at 6:15 p.m. in the Clubhouse.

Attention:

KGA Handicapping

Cost \$25.00 for the year

Sign up by Feb 15th

As we begin a new year I would like to thank everyone for a great 2011 and hope that 2012 will prove to be even better. This year, I hope that you will plan to participate in many different activities that your club will provide including more family friendly activities and social events in the club house, golf course and pool areas. In an effort to provide you with the most up-to-date information on upcoming events I have enclosed a membership update sheet in your monthly statements. Please take a few minutes to fill this out and return to the Club to ensure that we have your information correct in our system.

I am excited to include a gym membership with your monthly Club dues this year. BodyMaxx access keys will be available the week of January 9th.

Happy New Year!

Travis
