Annual Stockholder Meeting

Monday February 15 7pm

Paola CC will be hosting its Annual Stockholders meeting. This is an opportunity for you to elect or re-elect Board of Directors, get an overview of how Paola CC stands financially, and voice any concerns you have about the club. If you are unable to attend the meeting, you may arrange for another stockholder that is attending to vote for you. All you need to do is fill out the proxy sheet and send it to the club, or have the stockholder voting for you bring it to the meeting. It is important that proxies be filled out for non-attending stockholders, so the Board can insure that a quorum is achieved, and the meeting can go on.

Reminder, only those stockholders who are current with their accounts may vote in the meeting, as per Paola Country Club's bylaws.

Hope to see you at the meeting. Any questions, feel free to contact me at the club.

Mike Marshall, General Manager

Donna Nagle Night

Saturday February 20 6pm 9pm

Recent changes in the Club's Food operation has led us in the direction of Donna Nagle. Donna owns and operates Molly's Table in downtown Paola and also owns her own catering company. Donna brings a sophisticated flair to the comfort foods of childhood with impressive style. Donna's adventurous spirit leads her to unique recipes and new food concepts as well as new approaches to classic favorites. The quality and excellence of her meals never changes, but she has mastered the art of tailoring her presentation to each guest. With this said Paola Country Club decided to do a Donna Nagle Night. Using Donna's own "menu" see back page, on Saturday February 20th in the comfort of Paola CC main dining room. Meet Donna and enjoy as she prepares one of her wonderful entrees.

Reservations required by Thursday, February 18th. Please specify menu selection when making reservation

Golf Course

Frost

Cart and foot traffic can be detrimental to the turf (especially the greens) when covered with frost. Please stay off the golf course when frost conditions exist. Thank You

Tree Trimming

Now the snow has melted, plans are to continue trimming trees.

Bunkers

Having removed sand from bunkers on #3 and #5 green side—will refill and shape as weather improves.

Hey this has a chance!
